

Mercer IPE eLearning

Mercer has helped thousands of organizations generate substantial business value by providing better understanding of the jobs that make up their unique structures. Mercer International Position Evaluation (IPE) is a robust, user-friendly methodology that is a key input to job and organizational design.

To accelerate understanding and application of IPE across an organization, Mercer provides our updated, dynamic IPE eLearning module.

- Two-hour online training
- Delivers foundational knowledge of the 'five factors' of the IPE methodology
- Accelerates knowledge as either a stand-alone course for occasional IPE users or as an introduction to the methodology prior to attending Mercer's immersive classroom training.

WHY IPE eLEARNING?

Mercer's IPE eLearning module will help your team increase their knowledge and confidence when applying the methodology. This eLearning module will provide:

FLEXIBILITY	ACCESSIBILITY	CONSISTENT MESSAGING
learn anytime, anywhere	in the cloud, ready to go	everyone in the organization is taught the same way
INTEGRATION	ENHANCED INSTRUCTION	PRODUCTIVITY
incorporate it into the company's existing learning curriculum	add it to Mercer-facilitated classroom training to integrate "roll up your sleeves" exercises	less time away learning; more time doing
